Ready To Ship & Quick Ship Collections

A selection of the most popular Prostoria's products available with the production time up to 3 or 15 days.

Ready to Ship collection features the selection of products with predefined material options. This collection is available worldwide with the production time of up to 3 working days.

Quick Ship collection comprises a wide selection of materials for each product. In this edition, you can choose from 20 different fabrics, and 3 metal colors, while chairs are made only in oak (natural or black lacquer). The collection is available with the production time of up to 15 calendar days.

When ordering, please state that it is a Quick Ship or Ready to Ship order, otherwise your order will be processed as an order with the standard production time.

Prostoria's passion for design is the drive to create furniture whose quality remains paramount even as times and habits change. The quest was and still is for us to produce furniture that feels like comfort come to life – comfort as an outcome of innovation of the product's function and thus its refined form. In order to ensure control over the quality of our products, we've integrated all the segments of the furniture production in our factory – R&D, sewing and state-of-the-art carpentry and metal component manufacturing. Our production facility is located near Zagreb, in Croatia's Zagorje region. At the moment, Prostoria exports its products to over 60 countries across 6 continents, and has over 1000 high-end points of sale.
