РУССКИЙ

Sky

Универсальная стилистическая концепция сауны достигается за счет прозрачного стекла, установленного во всю высоту фасада сауны: благодаря такой легкой конструкции модель идеально гармонирует с любым интерьером.

Характеристики:

Сауна сертифицирована, она изготовлена из отборной древесины канадского хемлока или осины термообработанной и закаленного стекла 10 мм с низкой эмиссионной способностью. Стекланные фасад, двери и потолок сауны Sky стирают границы пространства и дарят ощущение свободы. Благодаря своей универсальной стилистике модель идеально подходит для разработки индивидуальных проектов.
